Our Ref:

06 November 2020

Dear Parent/Carer,

As your child's Consultant I am writing to inform you that the government issued a notice on 4th November 2020 to recommend that any child deemed Clinically Extremely Vulnerable should not attend their school during the current 4 week lockdown as part of measures to tackle the rising levels of Covid- 19 infection in the community.

We would therefore recommend that you strongly consider following this guidance and should contact your educational setting so that they are able to take measures to support your child's education in the home during this time.

The recommendation is that you should follow the advice of the government for the rest of the country but consider not attending school for the 4 week period.

If you have any questions about this please contact the Paediatric secretaries on

.....**SHREWSBURY or TELFORD number**

Yours sincerely

Community Paediatric Admin Services
