Password: Shropshire2

Registration closes: 4th March, 4pm

You will receive a calendar invite for the session within a week of registering, please place a hold in your diary in the meantime. A further invite to a breakout group will follow once registration has closed.

The two workshops build on each other, and we strongly recommend that you attend both. Registering for Session 1 will automatically register you for Session 2, you do not need to register twice.

Please do not forward the Teams invites on to colleagues, but do feel free to share the EventBrite registration link so that we have a comprehensive list of attendees.

Objectives:

- Increase understanding of how Shropshire's strategic outcomes support and are supported by the ND pathway
- Confirm a vision for the ND pathway
- Explore examples of pathways from other local areas, and how this might support the development of Shropshire's local pathway
- Identify strengths and gaps in the current provider landscape
- Develop a Terms of Reference and workplan
